Dear Sir/Madam,

I am pleased to write a letter of recommendation on behalf of *Sand River* and its CEO, Mrs. Jane King. I am very familiar with the company. My next book deals with it in detail, which is to be published in autumn of 2018. I am also familiar with European consumer. As a Dutch citizen, I have lived in Europe for 46 years and studied European consumer behavior for decades.

I believe that *Sand River* offers something unique to the European market. It has established long-term supply relations with herdsman (牧民) families and owns advanced German machinery. Thus it combines natural resources with modern manufacturing techniques. But equally important, *Sand River* works with modern fashion designers to create truly contemporary and appealing designs. The result is a newly-established cashmere (羊绒) brand that appeals to a target group of high-income women.

I met Mrs. King the first time in 2013. Since then, we have met several times and talked about *Sand River*'s philosophy, strategy, and appeal to both Chinese and international consumers. I was struck by her deep knowledge about knitting (针织) technology, her enthusiasm for the brand, and her deep understanding of the cashmere shopper. I regard her as a "woman of her word."

To summarize, I believe *Sand River* products deserve a place in luxurious European department stores and Mrs. King is a reliable partner.

If you have any questions, please do not hesitate to contact me.

Sincerely,  
Joan Smith
